## **Books Descripton :**

From the bestselling author of *The Last Days of Rabbit Hayes* comes a huge-hearted novel about death, family and finding laughter in the most bloody mental places. When forty-year-old Rabbit Hayes dies, she leaves behind a family broken by grief. Her mother Molly is distraught and in danger of losing her faith. Her father Jack spends hour upon hour in the family attic, poring over his old diaries, losing himself in the past. Rabbit's brother Davey finds himself suddenly guardian to her twelve-year-old daughter Juliet. Juliet might be able to fill a hole in Davey's heart - but how can he help Juliet through her grief when he can barely cope with his own? Meanwhile, Rabbit's sister Grace is struggling with the knowledge that she carries the same gene that made her sister ill, and Rabbit's best friend Marjorie is lost, struggling to remain a part of a family she has always wished was her own now that her link to them is gone. But even though the Hayes family are all fighting their own battles, they are drawn together by their love for Rabbit, and their love for each other. In the years that follow her death they find new ways to celebrate and remember her, to find humour and hope in the face of tragedy, and to live life to its fullest, as Rabbit would have wanted. *Below a Big Blue Sky* will make you laugh, cry and shout with joy for the colourful, unruly Hayes family as they battle with the loss of their beloved Rabbit, the daughter, mother, sister and friend, who in her own crazy way taught each of them how to live, and goes on showing them how to love from beyond the grave.
