Books Descripton :

A modern, practical, and inspiring guide to creating deep heart connections with kids by regularly creating new experiences and intentional adventures together. Parents today complain of fragmented relationships with their kids. What parents yearn for--and their kids too--is deep, heart-to-heart connections. But how can parents compete with all the other noise fighting for their kids' attention? The answer, says Greta Eskridge, is to break free from regular routines and familiar comforts of home to experience new places and adventures--even if those adventures go awry. From simply reading a book together to going on an overnight backpacking trip, activities together provide unique and crucial bonding opportunities. Adventuring Together highlights Greta's stories of doing just that, including an array of ideas for outdoor and indoor ventures, what to do when your finances are limited, and how to adventure if your family can't hit the hiking trail or spend the night at a campground. Giving readers the tools to make adventures happen, Adventuring Together is a step-by-step guide for parents--whether in the city or the country--to start building connections today that will last a lifetime.
