## **Books Descripton :**

"The two novels that you now hold in your hands have become 'modern classics'. . . taught in many schools as examples of moral weight and political prescience . . . read for pleasure, excitement and instruction." -- from the Introduction by Christopher Hitchens  
PRAISE FOR ANIMAL FARM  
"A wise, compassionate, and illuminating fable." -- The New York Times  
"Absolutely first-rate . . . comparable to Voltaire and Swift." -- The New Yorker  
"There are no replacements for a George Orwell, just as there are no replacements for a Bernard Shaw or a Mark Twain. . . he pricked, provoked and badgered lazy minds, delighted those who enjoyed watching an original intelligence at work." -- Time  
PRAISE FOR 1984  
"1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." -- Lionel Trilling 1949  
"The most solid, the most brilliant, thing George Orwell has done." -- V.S. Pritchett
