Books Descripton :

One hard billionaire. One college grad turned nanny. And a massive mansion that's way too small for their growing attraction. Mason Blastoviak. This self-made billionaire doesn't bang the Help. He doesn't get involved. And he never, ever falls in love. Cami O'Neal. This recent teaching grad doesn't do strangers. She doesn't neglect her charge. And she never, ever throws herself at billionaires, especially her hard-bodied, hard-as-nails, and very hard-to-figure-out billionaire boss – the guy whose kid sister is under her care. It all sounds good in theory. But what happens when these two decidedly different personalities are living under the same roof? Looking out for the same precocious kid? Crossing paths and clashing in the closets? And just what if all those sparks aren't caused by loathing, but something a lot more dangerous? Could it be a forever-and-ever kind of love? **Bang is a fun, full-length billionaire romantic comedy with a guaranteed happily-ever-after! **Blast Brothers, a contemporary romance series, follows three billionaire brothers and the women who claim their hearts. Each book can be read as a standalone. Boom – BrodyBang – MasonBlitz – Chase (Coming this Fall)
