Books Descripton :

In *Adventures of the Yorkshire Shepherdess* Amanda takes us from her family's desperate race to save a missing calf to finding her bra has been repurposed as a house martin's nest, and from wild swimming to the brutal winter of 2018 that almost brought her to her knees. As busy as she is with her family and flock though, an exciting new project soon catches her eye. Ravenseat is a tenant farm and may not stay in the family, so when Amanda discovers a nearby farmhouse up for sale, she knows it is her chance to create roots for her children. The old house needs a lot of renovation and money is tight, so Amanda sets about the work herself, with some help from a traveling monk, a visiting plumber and Clive. It's fair to say things do not go according to plan! Funny, evocative and set in a remote and beautiful landscape, this book will delight anyone who has hankered after a new life in the country.
