Books Descripton :

The complete, unabridged audiobook of A Game of Thrones. HBO's hit series A Game of Thrones is based on George R. R. Martin's internationally best-selling series A Song of Ice and Fire, the greatest fantasy epic of the modern age. A Game of Thrones is the first volume in the series. Summers span decades. Winter can last a lifetime. And the struggle for the Iron Throne has begun. As Warden of the north, Lord Eddard Stark counts it a curse when King Robert bestows on him the office of the Hand. His honour weighs him down at court where a true man does what he will, not what he must...and a dead enemy is a thing of beauty. The old gods have no power in the south, Stark's family is split and there is treachery at court. Worse, the vengeance-mad heir of the deposed Dragon King has grown to maturity in exile in the Free Cities. He claims the Iron Throne.
